LOCAL LEGACY IMPRINTED IN MODERN ARCHITECTURE

Serviced Apartments in Wan Chai
RELIVE LOCAL LEGENDARY HISTORY IN AVANT-GARDE ARCHITECTURE

The Luna, a brand new serviced apartments located in the prime location in Wan Chai, is conveniently connected to most part of Hong Kong. Its name echoes “Lun” in Lun Fat Street, where the project is located.

The design by renowned London-based Make Architects is inspired by the letterpress printing history in the district. This significant neighbourhood of Wan Chai has constructed Hong Kong’s idiosyncratic culture with its letterpress printing industry, among other unique local businesses.

The lustrous metallic tower’s doubled-glazed curtain walls give a futuristic touch in its nostalgic spirit. Endorsing the bygone industry, the architecture features a striking printing block motif. The balconies on The Luna’s exterior are made of champagne gold aluminium cladding, creating intriguing light and shadow formations, offering viewers a unique perspective from different angles.

全新服務式住宅 The Luna 坐落於港島灣仔區，盡享便捷交通和優越地利。命名靈感源自項目所在地名稱 Lun Fat Street。「倫」是古代有關建築的用詞，「灣仔」代表建築設計出類拔萃、與眾不同。「倫」，也與「論」同音，寓意為滿月、雲滿之意，同時呼應項目英文名「The Luna」。

The Luna 由來自倫敦享有國際的建築師事務所 Make Architects 匠心設計，大樓採用玻璃幕牆，露台仿古式風格，並以香檳金的鋁板為外牆物料，模擬傳統活字印刷術所使用的文字面板，傳承了灣仔曾經作為印刷工業集中地的歷史文化。露台及金屬外牆上富有層次的霧面紋理設計，令整座建築物隨著太陽光或觀看角度的改變而展現不同的視覺效果。
